To Whom It May Concern:

Please accept this letter of reference for ARIL Inc. Its a pleasure to recommend Sean and Ian for the work they have done for my company.

ARIL has been working for Kingfisher Heliskiing under contract for a little over 4 years now. In that time Sean and Ian have gone above and beyond their assigned duties and looking out for the best interests of our company.

I attribute a large part of our success and our increase in revenues from \$89,000 in our first year to over \$1.4 million in the last year to the hard work and dedication from ARIL. They helped take us from an unknown brand to a well-known company in a very short time. They also worked well with other teams to make things run smoothly behind the scenes.

I have not found a more accommodating, professional, knowledgeable, rational, business savvy, and business conscious team to work with in the past 5 years. The cornerstone of our tremendous relationship has been open and honest communication. They are open to criticism as much as they are open to praise.

If you are looking for a hardworking and dedicated team that will treat your company as if they were owners themselves, then Sean and Ian are your team.

I look forward to hearing that you have decided to work with ARIL.

Sincerely,

Tim Shenkariuk | Owner, Guide, Sales Manager
